**Mrs. Linton Tells How Helpful Lydia E. Pinkham's Vegetable Compound is at This Period**

Denver Colorado.—"I have taken Lydia E. Pinkham's Vegetable Compound for several years and I cannot tell you the good it has done me. It is good for young and old and I always keep a bottle of it in the house, for I am at that time of life when it calls for Lydia E. Pinkham's help. My husband saw your ad. in the papers and said 'You have taken everything you can think of, now I want you to take Lydia E. Pinkham's Vegetable Compound.' So I let him get it and I soon felt better and he told me 'I want you to take about six bottles.' So I did and I keep house and do all my own work and work out by the day and feel fine now. I tell every one about the Vegetable Compound, for so many of my friends thought I would not get well."—Mrs. R. J. LINTON, 1850 West 33d Avenue, Denver, Colorado.

After reading letters like the above, and we are constantly publishing them, why should any woman hesitate to take Lydia E. Pinkham's Vegetable Compound if she is in need of help? It brings relief when other medicines fail.

**MRS. SHARP GAINS TWENTY SEVEN POUNDS**

"I Never Felt In My Life and Haven't a Trace of My Former Troubles Left," Declares Huntington Woman—Gives Tanlac Full Credit.

"If anyone could feel like a new person, I do. In fact, I don't believe I have ever been stronger or felt better in my life. When I began taking Tanlac I had run down to one hundred and ten pounds, a loss of more than twenty-five pounds from my normal weight. I was eating hardly enough to keep a bird alive, but as careful as I was about my diet, I had such awful attacks of indigestion at times that I thought the end of my days was at hand.

"It certainly is wonderful how quickly the right medicine can get a person feeling good. I have a splendid appetite now, eat anything I want and never have the slightest distress afterwards. I am back to my normal weight of one hundred and thirty-seven pounds now and have more life and energy than in years."

The above statement was made by Mrs. Ross Sharp, Route 4, Huntington, W. Va. Tanlac is sold in Richmond by Stockton and Son and leading druggists.

**An Amusing Comedy**

Douglas MacLean's new Paramount-Ince comedy, "One a Minute," which comes to local theatres Friday night is said to be a highly amusing picture. MacLean is a druggist in this story who fights a trust and whose adventures supply delectable entertainment. Marian De Beck is his leading woman and leads a fine supporting cast.

**Holubar's Figures Look Like War Statistics**

Allen Holubar, Dorothy Phillips, and the entire cast of "Man, Woman, Marriage" including over 5,000 supernumeraries and technical men, spent weeks at Chatsworth Park, California, in filming the Amazonian sequence of the production.

Holubar states that during this time his six cameramen filmed over 120,000 feet of film for this episode of the stupendous allegorical tale. In order to stage the big battle scenes it was necessary to engage over 1,200 horses, 42 trucks and 6,600 costumes in addition to hundreds of camps, etc. Tents were provided for the entire staff and a bunch of showers sufficient to cover a city block were built. Huge stoves had to be transported to the location in order to feed the ever hungry artist. Hospital tents were provided for the injured and sick, with two competent physicians in constant attendance.

And when the production is projected on the screen at local theatres next Tuesday, this Amazonian sequence will last less than eight minutes, which gives an idea as to what the movie producer must go through to get the desired results.

Some of the most beautiful dances ever filmed were put on by Marion Morgan in connection with the production. One was a mirror dance in which diaphanously clad nymphs and youths dance upon mirrors; another was a Grecian dance and the third a Bacchanalian.

**Fontaine La Rue in Picture**

Fontaine La Rue, a charming screen player well known for her portrayals in De Mille productions, has an excellent role in Ethel Clayton's new picture, "Exit—the Vamp," which will be shown at the local theatres Monday. Miss La Rue is seen as a vamp who is outwitted by another woman and put to rout. In the cast are such players as T. Roy Barnes, Theodore Roberts, and William Boyd.

**"Her Sturdy Oak"**

The early married experiences of an impractical young pair who have no money and little initiative make the plot of "Her Sturdy Oak," the latest Wanda Hawley picture, which is shown at local theatres Thursday. The star is cast as a typical clinging vine and Walter Hiers, an impractical poet, is leading man. Officious in-laws, the poet's jilted sweetheart, bill-collectors and finally twins, add to the perplexities of the pathetic Newly-Weds until a suddenly found fortune sets them on their feet.

M. G. Weisiger of Danville, is making plans for the erection of an opera house there.

**BOXING CONTEST SATURDAY NIGHT**

The boxing exhibition between Jimmie Murphy, of the carnival company, and Frankie Taylor, of Louisville, which was to have been held on the grounds of the United States Exposition Shows at B and Water streets Wednesday night, has been postponed until Saturday night on account of the small attendance. A large portion of the gate receipts are to go to winner and because of the cold weather there was a very small crowd on the lot. Both of the contestants are in training daily and both are sure of victory. It is expected that there will be a large crowd on Saturday night as several people are coming from surrounding towns to witness the bout.

Charles Brown joined the show yesterday, having come from Omaha, Neb. He operates the stand that gives out the kippie dolls and has one of the most beautiful displays on the midway.

The Dixieland Minstrel Show "knocked them off their seats" last night and gave only one performance which lasted nearly two hours. The bill presented was "Who's dat colored man?" Several local musicians went to the show just to hear Will Taylor "triple" on the cornet. Taylor is a graduate of the colored conservatory of music and a cornetist of the highest calibre, and a wonderful help to the show. He is to have charge of the eight-piece band that is to join next week.

Last night was officials' night and most of the city and some of the county officials were present as was a member of the internal revenue department. Mr. Noyes, manager of the carnival, acted as host and a pleasant evening was enjoyed by all. The officials unanimously declared it is one of the neatest, cleanest and most businesslike managed carnivals of any in its class.

**19 Year Record for Pee Gee Mastic Paint**

Down in Eatonton, Georgia, you'll find real proof of the splendid wearing qualities of Pee Gee Mastic Paint. It was used there some nineteen years ago on the home of Mrs. T. G. Green, who writes the following letter:

"My house was painted with Pee Gee Mastic Paint nineteen years ago, and I want you to estimate what will be needed to go over it again. The house is in splendid condition although such a long time has elapsed since it was last painted. One room in which Pee Gee Flatcoat was used nearly twelve years ago is in good condition still, but I want it freshened up."

The great durability of Pee Gee Mastic Paint is due to its 50% of Zinc content ground in pure Linseed Oil and White Lead, making it a Double Pigment Paint.

Pee Gee Mastic Paint produces a tile-like film which successfully resists the elements, does not crack, peel or chalk off.

The high zinc content gives Pee Gee Mastic Paint its unusual covering and wearing capacity. It is by far the most economical paint you can use.

For interior walls and ceiling, use Pee Gee Flatcoat, the modern, sanitary, durable, flat oil finish. Comes in 24 deep, rich velvety colors.

**BABIES WILL NOT NURSE BUT HONEY PROVES SOLUTION!**

In one scene of "Man-Woman-Marriage" it was necessary to have scores of babies at their "mothers' breasts. But the babies went on strike. They refused; and the whole of the production was jammed! Then Allen Holubar hit on an idea. He handed the "mothers" a jar of honey. They applied it gently, and the babies went after the feast while the cameras ground!
